

It's only been a month, but it seems like such a long time since I have written to you. I am really enjoying this. This past month the number of people receiving the Prophetic Edge has more than doubled. Wherever Pastor Mave and I travel – and the Lord has opened so many wonderful doors for us in North America and across the world – we find a great hunger for the prophetic. There is a strong prophetic army that God is raising up in this season. Many of them have been hindered and held back in times gone by. As I spoke of in the Prophetic Protocol (volume one), many times, it was our own fault. The heart cry across the Body is to seek His face, to hear His heart, and to declare His Word.

We are preparing right now for Winter Camp 2009. There is excitement in the air. You can tell that God is up to something. We have some well-known and well respected prophetic and apostolic voices joining us at The Revival Centre in Hamilton, Ontario. Bobby Conner of Morning Star, Jane Lowder from Calvary Pentecostal Campground in Ashland, Virginia, and Rick and Cathy Ciaramitaro, the leaders of Open Bible Faith Fellowship, a large apostolic network from Windsor, Ontario. Make your plans and reservations now. Winter Camp begins March 25th and goes through April 4th. For more information, [click here](#).

Prophetic Streams

These are the Days of Elijah! These are the Days of the Harvest! The harvest is here and the harvest is now! Everywhere I look, everywhere I turn, everywhere I go, the fields are white and ready for harvest. This end-time army is going to have the anointing of Elijah to prepare ye the way, to make bold proclamations declaring the Kingdom of God, confronting sin and the enemy. It was the anointing that was on John the Baptist.

I believe that this end time prophetic army will flow in many anointings. I believe there are many prophetic streams that are now beginning to flow together. In the summer of 2000 in Ashland Virginia at Calvary Pentecostal Camp during worship I received a vision of the map of North America; it looked like a weather map. In this vision, streams and rivers seemed to all be flowing towards the centre into a big river right down the middle of the map. Then the scene changed and I was looking at a corn field and Jesus walked out of the corn field. Water was up to his ankles. I looked at His hands and His feet and there were no scars. Then I saw young people. First 5 then 10 then 20 coming out of the corn field behind Him. Then the Lord spoke to me and He said, "When the different streams of the anointing, when the different streams of the spirit and the hearts of my people begin to flow together, know that there will be a great move of the spirit

through North America and right through the heart land.” I said, “Why didn’t you have any scars on your hands and feet?” He said, “When my Body comes out for the harvest, when my people come out for the harvest, they are going to come out healed and whole.” He said that there was going to be a great harvest amongst the youth. I believe we are moving quickly into that season. When we begin to flow in unity, different streams flowing together, it’s the prelude to the harvest.

Not just the prophetic anointing of Elijah, but also the anointing of Joshua to occupy the land; to cross over. The anointing of John the revelator, he was the one who had the greatest revelation of Jesus ever recorded. He was the friend who on the night Jesus was betrayed laid his head upon the bosom of the Lord. He wanted to hear the heart beat of the Lord. There is a generation that is going to seek His heart. Not His hand. Whose heart cry is going to be worship and intimacy. Right now, I believe the prophetic anointing being released to the church in 2009 is the anointing that was on sons of Issachar in **1 Chronicles 12:32** *“And the children of Issachar, which were men that had understanding of the times, to know what Israel ought to do; the heads of them were two hundred; and all their brethren were at their commandment.”*

That is what we need, not just vision, but strategy to know that heart and the timing of God for our generation, the end time generation, end-time warriors and end-time handmaidens properly positioned and prepared. Like the army of Joel climbing the walls as mighty men, understanding spiritual authority and not breaking rank, conquering real life issues, impacting their cities, men and women living by faith, hearing His voice, led by His Spirit. These are the sons of God.

Let us, you and I, begin at once to seek Him for the higher, for the deeper, for the surer word. The word that will tell us not just what He wants, but what He wants us to do and how He wants us to do it; the vision, the strategy. Let’s seek Him for an action plan. You and I, we are the children of the harvest and these are the days of the harvest. He is the Lord of the harvest. He has a covenant with our seed. It says in **Genesis 9** a *“perpetual covenant with our seed”*. His heart is for the harvest; He is all about the harvest. Let Him position us right now and give us the plan for the harvest.

May the Lord richly bless you with revelation, wisdom and understanding. May the prophetic anointing on your life increase. May He grant you a hunger in your heart to seek Him.

May He give us a heart that longs for Him. May He give us a heart for souls, a heart for the harvest, a heart after His own heart. Like the heart of David, a heart quick to go to worship, a heart quick to go to war, because the Lord of Hosts is the Lord of the Harvest. The Bible says in **Exodus 15:3** *“The Lord is a man of war: the Lord is His name.”*

God Bless you,

Russ Moyer
