She has an amazing hands-on healing anointing and a love for God and His people that is obvious from the moment she begins to minister. Joan is the founder of Ministries of Love, an outreach to the homeless, and the St. Louis Healing Rooms. She ministered with Benny Hinn for eight years and with Kathryn Kuhlman for eight years.

## July 20th-21st Jacques and Nicole Philibert

Jacques, a dentist, is the president of the Full Gospel Business Men's Fellowship in Canada. They are the co-founders of "A Refuge under His Wings," a non-profit organization called to teach and train disciples.

## July 23rd-25th Colette Aubé Rossignol

Colette operates with an apostolic and prophetic anointing and is at the cutting edge of what God is doing right now in His Church. She communicates the depth of the Word with simplicity and boldness. The Lord uses her to repair the broken foundations in local churches, and her ministry is confirmed with signs and wonders. She is known for her prophetic revelations of the Word and practical approach when teaching and preaching.

## July 26th-27th Jane Lowder

Sister Jane Lowder is the director of Calvary Pentecostal Campground in Ashland, Virginia. She first discovered the manifestation of golden glory in Brazil with Sylvania Machado, a woman whom she personally led into the baptism of the Holy Ghost. Like her mentors Wallace and Ruth Heflin before her, she is a visionary who looks into the heavenly realm and brings back blessings for others as she ministers with a powerful prophetic anointing.

## July 29th-30th Bobby and Carole Conner

Bobby's dynamic capacity to release outstanding demonstrations of the miraculous – healings, signs and wonders – reveals the very heart of the Father toward us! Surviving a dramatic abortion attempt by his mother, being rescued again by the hand of God from drug dealing and suicide, he is now a man who walks in his God-ordained destiny to set others free!

## August 1st & 3rd Connie Wilson

Connie and her husband Bill lived and worked with Ruth Ward Heflin, until her death in 2000, at which time they knew they were to live in Israel. They work bringing heart-to-heart communication between the Arabs and Jews, as well as the Christians and Jews. She moves in a powerful prophetic gift.

She has since ministered in over 40 countries throughout the world, moving in signs, wonders and miracles. Antje's gifting lies in the prophetic and in healing.

## August 10th-11th John and Jean Scotland

Bobby Conner prophesied a new anointing coming to John and his wife Jean in November of 1994, at a conference in Toronto. Since that time he has been a catalyst sparking new fires in the spirit and breaking off religious strongholds, blessing others by his freedom and joy in the spirit. A native of Liverpool, England, he now travels imparting this "new wine" around the world.

## August 13th-14th Debbie Kendrick

Sister Debbie lives to see the Glory of the Lord cover the earth like the waters cover the sea. During the last 10 years, Debbie has been part of the revival in France and the move of unity the Holy Spirit has birthed there. She has been instrumental in raising up "walls of worship" in the Caribbean and Florida to confront the worst hurricane devastation they have seen in years.
