BROTHER RUSS & PASTOR MAVE MOYER

Brother Russ and Pastor Mave founded the Retreat and Revival Centre, a beautiful fifty-plus acre campground in Copetown, Ontario. They currently pastor Eagles' Nest Fellowship, The Revival Centre, and Eagles' Nest Six Nations and oversee several other churches they have pioneered here in Canada.

Russ was born and raised in a Catholic family in suburban Philadelphia, Pennsylvania. In 1976 he had a dramatic personal encounter with the Lord Jesus Christ and was set free from drugs, alcohol, and anger.

Mave Moyer is an ordained minister working fulltime alongside her husband with Eagle Worldwide Ministries. She is an anointed music minister with a gift of prophetic psalmist and song of the Lord.

They are both gifted in the prophetic, deliverance, and healing ministries, and have a strong burden to see the oppressed set free, and the sick healed to the Glory of his Lord in Canada and the nations .

ROGER MILLER AUG 26TH - 28TH

Roger Miller owns his own business and works as a bank consultant for 25 banks. He conducts spiritual warfare ministry and teaches how to recognize and be set free from demonic spirits. He has ministered boldly to hundreds of people, both in groups and individually, and has seen generational curses broken, past bondages loosed, forgiveness, inner healing as well as physical healings take place.

Roger and his wife, Donna live in Franklin Tennessee where they conduct seminars on deliverance, curses and unforgiveness in order to equip and teach the church to walk and minister in freedom.

Their heart is to see people set free so that they can serve God to the fullest. Roger has been involved in deliverance ministry since 1990 and over the years has seen many born-again Christians set free by the power of God.

BILL & JANET SUDDUTH AUG 24TH - 26TH

Bill and Janet Sudduth are powerfully anointed in ministering deliverance and inner healing. They have witnessed the Holy Spirit literally set thousands of people "so free!"

They served as pastoral staff at the Brownsville Revival School of Ministry, and now travel domestically and internationally through Righteous Acts Ministries to minister to and equip the Body of Christ to be "so free". Bill is the newly appointed ambassador for ISDM Peter Wagner's deliverance ministry network.
