

Propetic Word 2009 – Brother Russ Moyer

Get ready for the Harvest. It's the year of the Harvest. Get ready for the Harvest for the harvest is here.

Taking care of business, taking care of business if it's here. Taking care of Business now.

2009 shall be the year of the Harvest, a year of comebacks, a year of Restoration, a year of great blessings for those who understand and Stand in covenant.

Covenant shall be a key and key words in the year ahead, walk carefully And with discernment for many will be deceived and even fall away Because of false doctrine and wrong covenant relationships.

By March and April many will say we can see the bottom but It's still a long way back.

Restoration will truly come but, patience, compromise and a balance Of power will be called for in North America and abroad so that foundations Of truth and integrity can be put back in the right place to avoid a reoccurrence.

Regulation and control will no longer be dirty words.

There will be a great cry for peace, but we need to count the cost. We need wisdom and strategy to avoid a disastrous end.

This is a year that shall begin in conflict and war but many will cry peace. Opportunities will be found in the market, for those who have an eye to see.

CANADA shall begin to emerge as one of the world leaders in a new way. The conservative voice of unity and peace shall be her cry.

Exploration shall be deep and unique.

There shall be a move back to church but not church as usual. New and Personal...personal situations, personal relationships, shall begin to bring forth Open doors of revival.

Fires breaking out in small locations and buildings, in unusual places and especially Around young people. And the youth will be part of the puzzle.

Eagle Worldwide will see continued growth with new doors now opening in Remote locations and venues. Media and Mass media will be the vehicle for the Voice, but relationships and team ministry will be a large part of the cause.

Like a snowball rolling down a hill this thing keeps getting bigger and gathering as it goes.

More Missionaries, more partners more help is on the way. The Anointing is increasing especially in healing and the Prophetic. All things with a prophetic edge.

The year of the favor of the Lord.

Isaiah 61:2 *To proclaim the year of the Lord's favor and the day of vengeance of our God, to comfort all who mourn.*

Isaiah 45:1 This is what the LORD says to his anointed, to Cyrus, whose right hand I take hold of to subdue nations before him and to strip kings of their armor, to open doors before him so that gates will not be shut.

Prophetic Word 2009 – Pastor Mave Moyer

In the year 2009 the fields are white
And ready it is harvest time.

This is the season of increase
The righteous will be recompensed in the earth
When you will walk in obedience
Rise and tell of my matchless worth.

For the world and all its systems
Will crumble and fail
In the light of His Glory all
Other things will pale.

The church will rise and shine
In the midst of darkness and despair
Many will look to you
And they will find me there.

Time for the fullness
Of covenant maturity
Time to lay your life aside
And fully walk in Me.

Time to look into the mirror
It's my reflection you should see
Not the same old someone
You pretend to be.

Time is of the essence
There is no time left to wait
Soon will my appearing be
The hour is growing late.

Gross darkness covers all the earth
Deception is all around
Fully hidden in my heart
Is where you must be found.

Serious is the hour
Strategic is My plan
Walk in the fear of God
And not the fear of man.

Perilous times are upon us
With many terrors still to be
Stand steadfast in your covenant
And walk fully my children in Me
And blessed you shall be.
